

FY2024 Year-End Close

In preparation for the close of fiscal year 2024, the Financial Affairs department has prepared the FY24 year-end memo and corresponding calendar that highlight important processes and deadlines from April 2024 to August 2024. We recommend users add any of these pertinent deadlines to their calendars.

The memo and calendar can be found on the Financial Affairs website:

The memo and calendar are subject to change. Any updates or additional documentation will be shared via email and posted online.

In the meantime, should you have any specific questions after reviewing the year-end documents, please do not hesitate to contact the relevant department:
