Note: This plan is subject to modification based on student demand and faculty availability; all course offerings are subject to change or cancellation due to low enrollments or faculty availability.

This schedule provides for 23 of the 26 credits required in the EDAD Core Educational Leadership courses. This leaves 3 credits that will be taken as elective credit. Those credits must be a 5000-level course and can be earned in HIED 5630, EDCI 5665, or certain courses in LDTE, check with your advisor if you have questions.

For up-to-date course offerings check the EDRE, HIED, EDCI and LDTE long term schedules (available on the programs' website).
