In March, 2023, the University Reappointment, Tenure, and Promotion Committee deliberated upon a docket of twelve cases and submitted its recommendations to the Provost. During the academic year, the committee was available and responded to minor additional requests from the Provost relevant to reappointment, tenure, or promotion. In our deliberations, and as directed by UW Reg. 2-7(XII), the Committee considered whether the standards of UW Reg. 2-7(III) “are being consistently applied campus-wide by examining the procedures and general eligibility qualifications of candidates.” The Committee did not identify or report any inconsistencies to any college committee or dean, but will share policy considerations with the Provost in accordance with UW Reg. 2-7(XII).
