Re: Required Quarterly Report

Date: September 15, 2015

The University of Wyoming is required to submit the enclosed report pursuant to Enrolled Act No. 56, Senate (2015), Section 167, Footnote 2, as recorded in the 2015 Session Laws of the State of Wyoming, Chapter 142, Section 167, Footnote 2. Specifically, the footnote states:

2. Funds appropriated for 100 series personal services for section 167 may be transferred and expended for contract services for instructors, physicians and other health care providers for the University of Wyoming family practice residency and WWAMI medical education programs. The University of Wyoming shall report any transfers and expenditures pursuant to this footnote in accordance with section 308 of this act.

Section 308 of Enrolled Act No. 56, Senate (2015), states:

(a) Notwithstanding any other provision of this act, nonfederal fund appropriations for 100 series personal services contained in this act shall not be transferred to any other series or expended for any purpose other than personal services. Further, notwithstanding W.S. 9-2-1005(b)(ii) or any other provision of this act, nonfederal fund appropriations for 900 series contractual services contained in this act shall not be transferred to the 100 series personal services. This subsection shall not apply to funding for intern positions. The department of health, the University of Wyoming family practice residency and WWAMI medical education programs are exempt from this subsection.

(b) The department of health and the University of Wyoming shall report quarterly to the joint appropriations interim committee and the joint labor, health and social services interim committee regarding the department's and the university's respective exercise of authority under subsection (a) of this section ...”

The report shall include “the specific uses and dollar amounts for each exception.” See Section 308(b), Enrolled Act No. 56, Senate (2015).
