# #haubgrad careers

Our economy and our world are changing rapidly. Many of the jobs, career paths, and professional opportunities you could take after you graduate might not even exist yet!

The Haub School will prepare you to be a nimble, creative, and critical thinker, building the skills, knowledge, and tools you can apply to wherever you want to forge a path in the future.

*These #haubgrad career examples are real job titles and employers from nearly 30 years of Haub School alumni.*
