Rhannon Sadie Winter

Fire changes landscapes.
The Mullen Fire changed
ours. But the forest
is still there, growing.
We hope this guide will
help you come to re-know
some small part of it.

Strawberry
white flowers
turn into tasty,
tasty berries

Delightful
sweet
joy
endure
juicy
fragrant
a jewel of the earth!
burst

* Fireweed *
Tall fuschia
flowers, seed pods that
burst into fluff.
All parts are edible
First to return post-burn

Eager, fecund, toothsome, gababout.
Nutritive
Unruly

no known
edible or
medicinal uses

"a little garbage weed"
you don't have to be
useful or rare

to be
special
