Starting in 2006-07, the academic year definition was changed to reflect Banner's academic year definition of fall, spring, and summer terms. Prior to 2006-07, the academic year definition included summer, fall, and spring terms. For example, AY 2005-06 includes August 2005, December 2005, and May 2006 while AY 2006-07 includes December 2006, May 2007, and August 2007. This left summer 2006 out of an academic year.
