

UW Early Childhood Special Education Endorsement Program Course offerings for Fall 2017-Fall 2020

Please note: The WY Quality Counts will provide funds of \$1000 per year, per student, for pursuing this endorsement. Students must apply for funds 45 days prior to enrollment in a course. Students must have the signature of a program advisor to complete paperwork for DWS for these funds. I can sign off as advisor and I will be available to do that during the school year and the summer. Students should email me to let me know if they need that signature. Students must apply for the Early Childhood Special Education endorsement program. They can do that by accessing the following web site:
