

**ARTICULATION AGREEMENT FOR  
ELEMENTARY EDUCATION  
(CREATIVE ARTS CONCENTRATION), BA  
BETWEEN NORTHERN WYOMING COMMUNITY COLLEGE DISTRICT  
AND UNIVERSITY OF WYOMING**

**OVERVIEW:**

This formal program articulation agreement is made and entered into by Northern Wyoming Community College District, hereinafter referred to as NWCCD, and University of Wyoming, hereinafter referred to as UW. By this agreement NWCCD and UW express a shared commitment to increasing opportunities for student access to and success in higher education.

**PURPOSE:**

This agreement provides students who have completed the **Associate of Science** degree with articulated coursework in Elementary Education (Creative Arts Concentration) the opportunity to complete a **Bachelor of Arts in Elementary Education (Creative Arts Concentration)** degree at UW. Any NWCCD student who has earned an Associate of Science degree with coursework that adheres to the guidelines within this agreement is guaranteed that UW will: 1) apply the relevant general education credits; 2) accept designated major related credits; and 3) give the student UW class standing consistent with the articulated curriculum herein and in a manner consistent with the treatment of native UW students in the Bachelor of Arts degree.

**CONDITIONS OF TRANSFER:**

**Section I: Admissions and Matriculation**

NWCCD students maintaining continuous enrollment under this agreement and following the curriculum plan in place under the NWCCD catalog of record will matriculate to the UW academic program in place for that catalog year. A break in enrollment that is not a summer semester may cause the student to be readmitted under a different catalog year. In that case, this articulation agreement may not remain valid.

Criteria for acceptance into UW College of Education will be consistent with the criteria outlined in the institutional articulation agreement between NWCCD and UW.

NWCCD, upon request of students, will provide verification of completed courses to UW through its Office of Registration and Records.

Transfer students from NWCCD will have access to financial aid, scholarships, and student services on a similar basis as native students.

UW will apply the same academic progress and graduation standards to NWCCD transfer students as are applicable to native UW students in the same catalog year.

**Section II: Program Plan**

While a course-by-course equivalence was used in the development of this plan, this agreement presumes that the general education core requirements at NWCCD meet general education requirements at UW under the statewide block transfer articulation agreement. Students falling under this program articulation agreement will be responsible for successfully completing the additional program core requirements as noted in section below.
