WYOCLOUD FINANCIAL MANAGEMENT & HCM OPERATIONAL AFTER UPDATE

Greetings,

WyoCloud Financial Management & HCM are now operational and accessible after this weekend's quarterly update.

Decentralized Human Resources Representatives (DHRs), can begin utilizing the updated Change Salary and Individual Compensation pages. These new pages take advantage of Oracle's updated responsive user interface which is used for a number of other pages throughout HCM. Quick Reference Guides for both processes have been updated.

Campus users will see no significant changes from this update. As always, the WyoCloud Knowledge Base contains all the latest user guides for both financial and Human Resources transactions.

Best,

The WyoCloud Team
